

Schulenburg FFA Jacket Order Form

DEADLINE: OCTOBER 3, 2022

If your student wants to compete in any fall leadership development events or go to state or national convention, they will need an official FFA jacket. Students showing livestock will also need a jacket for the sale. Students have the option of borrowing a jacket from the Ag. Department or from another student, but it is encouraged that they order their own if they plan to be involved all through high school. We will size students for the jacket at school. FFA jackets are not ordered by the usual small, medium, or large.

If you are interested in ordering an FFA jacket, please download, print, and fill out this form and send with your student to school. We will be making one jacket order each month.
